ORDER OF BUSINESS.

Mondays and Thursdays are devoted to motions of all kinds, both in Law and Equity. If these should not occupy the day. Common Law arguments, on demurrers, special cases, &c., and Fquity cases, on argument of pleas, demurrers and exceptions and caveats, may be taken.

On the other days, motions of course and those at Law, where the progress of a cause may be delayed, may be taken—then Common Law, Equity and Ecclesiastical causes, in their order in the respective papers of causes, those which are called on and not fully heard on Wednesday, to be taken on the Thursday, notwithstanding the above rule.

Durin: the Sittings after term, all such motions as can be heard out of term, are taken on Monday and Thursday, but not on other days if the Court is sitting for the trial of causes. If the Court is sitting for hearing other causes, all Motions may be taken at the sitting of the Court, and before causes are called on.—After these are gone through, the Common Law Board is called on, while any causes remain on it, then the Equity Board, and then the Ecclesiastical.

In vacation a Judge sits in Chambers, every Tuesday and Friday, at eleven o'clock, but Counsel do not appear on contested motions until twelve.

"The benefits of the institution are sometimes extended to such children as have friends who wish to place them in the School, and, to avoid burdering the institution, agree to pay a sufficient sum to cover their expenses. It is understood that the Guardians of these children retain their natural right of removal and other control over them so as not to interfere with the general discipline of the School; but in all other respects there is no distinction between them and the rest of the children. By a sum sufficient to cover the expenses, is to be understood a sum not less, than ten rupees a month, or a donation which may be considered equivalent, with reference month, or a donation which may be considered equivalent, with reference were have a discretionary power as to the demand of a monthly sum to be paid for such children, which is in no case to exceed ten rupees."

THE BENGAL HURKARU,

A DAILY NEWSPAPER,

PRINTED ON AN EXTRA LARGE IMPERIAL SHEET!

WITH WHICH IS INCORPORATED

THE INDIA GAZETTE AND BENGAL CHRONICLE;

THE BENGAL HERALD & CALCUTTA LITERARY GAZETTE.

THE BENGAL HURKARU, the senior and the largest journal of India, was established, as a Weekly Newspaper, in January, 1795. It was originally printed on small folio sheets, and published every Tuesday morning, with supplements as occasion required, during the week: subsequently, the day of its publication was changed to Saturday, and eventually it became a daily Paper.

The first number of the daily Hurkaru (heing likewise the first DAILY Paper ever published in India) appeared on the 29th April, 1819, printed on a single quarto sheet, which was then judged the utmost that could be got up daily at an Indian Press. Very soon, however, a second sheet was considered necessary and means were found to publish it; and on the 1st July, 1821, a third sheet was added, and the material upon which it was printed changed from Bengal medium to good European royal paper—the first ever used for an Indian Newspaper. Quarto, and even small folio, sheets, having, however, been found, by experience, unsuited to the purposes of a daily paper, on the 1st February, 1824, it was printed on a royal folio sheet, and so continued until 1st January. 1831, when it assumed its present imperial size.

The interests and resources of several Calcutta journals have, from time to time, merged in the Bungal Hunkaru, and it received an important accession on the 1st October, 1834, when the then oldest Newspaper in India, (The India Gazette) with all its stock, was united to the Hurkaru Press: on the 1st January, 1844, the Bengal Herald and Calcutta Literary Gazette were added as a Weekly Supplementary (7th) Sheet—thus rendering the Bengal Hurkaru, the largest and most comprehensive Newspaper, ever yet published in India.

The BERGAL HURKARU is delivered, free of expense, every morning, by the peops of the establishment, throughout Calcutte and its environs, including Russapugla, Garden Reach, Seebpore, Howrah, Sulkea, Cossipore, Dum-Dum, pugla, Garden Reach, Seebpore, Chandernagore, Chinsurah, and Hooghly. A second Barrackpore, Serampore, Chandernagore, Chinsurah, and Hooghly. A second edition is despatched by Dawk every evening, bearing postage.

The weight allowed for Newspapers is 33 sicca weight each cover, upon which postage is levied at two rates—two annas to stations within 400 miles, and three annas to stations exceeding that distance.

"SUBSCRIPTIONS" AND "ORDERS."

The Publishers beg to draw attention to the distinction between permanent Subscribers to their periodical works, who direct their transmission, until countermanded, and Subscriptions, or Orders, which do not give such directions, and are therefore considered by the publishers to apply only to apparticular volume or to the year in which the order is received.

The Publishers are aware, that when an order is sent to them to put the writer's name down for "a copy of the Directory," or as "a Subscriber to the Directory," it is often expected that the work will be sent to them regularly, but having frequently caused to Subscribers and suffered themselves, much inconvenience and loss by so constraing doubtful orders, the Publishers have thought it right to explain and solicit attention to the distinction between permanent Subscribers and Orders or Subscriptions for the current year only.

This explanation, the Publishers trust, will be acceptable to all their supporters, but particularly so to Gentlemen in the Mosussil who, considering themselves permanent Subscribers, though the publishers have no authority or so registering them, have omitted to forward any order for the work, untif the whole of the copies had been sold. To prevent the frequent recurrence of this misunderstanding, the Publishers affix a List of Permanent Subscribers to every Edition of their Directory, and they solicit Gentlemen whose names are not included in this List, but who may wish to receive the work regularly as soon as published, to savour them with directions to that effect, specifying whether they require the 2d and 3d Editions, or only the Annual one.

N. B. Mofussil orders cannot be attended to from Gentlemen who have not good accounts open with the Publishers, unless a reference for payment be also remitted with the order.

Orders from non-Subscribers to be addressed to their own Booksellers, or Agents if convenient; otherwise to the Publishers in CALCUTTA. or to their agents at the undermentioned places:—

** To prevent mistakes, it is respectfully intimated that accounts cannot be opened for the above publications; Cash, or a reference for payment is requested from parties who have not accounts open with the Hurkara Press.
